

Curriculum Vitae

Date: 2020/ April / 2nd

Research Topic	Development of stimuli-responsive molecular crystals
Name	Dr. Tomohiro Seki
Date of Birth	1983/ May / 02
Affiliation (Current Position)	Assistant Professor Hokkaido University Graduate School of Engineering
Full address, Tel, Fax, Email	Kita 13 Nishi 8 Kita-ku, Sapporo, Hokkaido, 060-8628, Japan Tel: +81(11)-706-8127; Fax: +81(11)-706-6561 Email: seki@eng.hokudai.ac.jp
Academic Carrier	2009 M. D. in Engineering, Graduate School of Engineering, Chiba Univ. 2012 Ph.D. in Engineering, Graduate School of Engineering, Chiba Univ. 2012 Specially Appointed Assistant Professor, Hokkaido Univ. 2015 Assistant Professor, Hokkaido Univ.
Previous Awards	<ol style="list-style-type: none">1. The CSJ Award for Young Chemists (by The Chemical Society of Japan).2. The Japanese Photochemistry Association Award for Young Scientist for 2019 (by The Japanese Photochemistry Association).3. Young Chemist Award of the CSJ Hokkaido Branch for 2016 (by The Chemical Society of Japan Hokkaido Branch).4. The 96th CSJ Annual Meeting "Young Scholar Lectures of CSJ" (by The Chemical Society of Japan).5. The 95th CSJ Annual Meeting "CSJ Presentation Award 2015" (by The Chemical Society of Japan).6. Annual Meeting on Photochemistry 2008 "The Best Presentation Award for Students" (by The Japanese Photochemistry Association).
