Yuuya Nagata was born in 1980 in Kagawa, Japan. He received his B.Sc. and Ph.D. degrees from Kyoto University in 2003 and 2008, respectively, under the supervision of Prof. Yoshiki Chujo. In April of 2008, he worked in Kyoto University as a postdoctoral fellow in the group of Prof. Yoshiki Chujo for a month. In May of 2008, he joined the group of Prof. Michinori Suginome in Kyoto University as an assistant professor. In December of 2019, he joined Institute for Chemical Reaction Design and Discovery in Hokkaido University as a specially appointed associate professor. His research interests are in organic synthesis, polymer science, theoretical chemistry, and automated synthesis using robots.
