

**Position Open: Postdoctoral Fellow at Hokkaido University
Institute for Chemical Reaction Design and Discovery**

The Institute for Chemical Reaction Design and Discovery (ICReDD), Hokkaido University, as a global research center based on the "World Premier International Research Center Initiative (WPI)", which was supported by Japan's Ministry of Education, Culture, Sports, Science and Technology (MEXT), constructs an international research environment which gathers world-leading researchers and establishes a research environment that integrates computational, information and experimental sciences, in order to establish a new academic field "Chemical Reaction Design and Discovery", to provide substantial knowledge on chemical reactions that efficiently develop chemical reactions and materials for the future necessity, and to sustainably cultivate human resources engaged in the field of "Chemical Reaction Design and Discovery".

We are inviting applications for the position of Postdoctoral Fellow (Sidorov group), Institute for Chemical Reaction Design and Discovery, Hokkaido University as follows.

1. Name of Recruiting Institution

National University Corporation Hokkaido University

2. Position

Postdoctoral Fellow, one opening

3. Employment Term

From the Starting date to March 31, 2024

(Renewal of appointment may be offered up to 3 years from the starting date.)

4. Department

Institute for Chemical Reaction Design and Discovery

5. Location

Sapporo (Hokkaido University), JAPAN

6. Research Field

Chemoinformatics

7. Job description

In the ICReDD Sidorov group, the following research will be carried out mainly to promote integrated research in computational, information and experimental sciences.

(1) Development of informatics tools to aid the design of chemical reactions, including databases, chemical data representation and molecular descriptors.

(2) Development of machine-learning models for enantioselective catalysts in collaboration with experimental chemists.

8. Qualifications

(1) PhD degree(s) at the time of appointment

(2) Outstanding achievements and publications in the research field

(3) Strong motivation for research of the ICReDD
